## WHOLESALE SEED MERCHANTS

108-118 LIGHT STREET

BALTIMORE, MD., FEBRUARY 4, 1927.

Markets continue firm, with a few advances in price. There has been quite an improvement in both inquiries and orders this week—sales the largest of any week this season.

With continued nice weather we expect an early active demand. We can supply you with both the DOMESTIC and FRENCH grown Red Clover to advantage. The FRENCH SEED we consider splendidly adapted to your conditions. Will appreciate your inquiries and send samples when desired—PHONE, WIRE or WRITE US, WE CAN PLEASE YOU—QUALITY, PRICE, SERVICE.

We do not handle Italian or South European grown Red Clover or Alfalfa.
